The truth is that you WILL be evicted from your home MERELY by the fact of being brought as a Defendant into any California Superior Court in any Unlawful Detainer Action (UDA) or Forcible Detainer Action filed after or on the basis of any non-judicial foreclosure carried out APPARENTLY under the letter of California Civil Code Section 2924, which is the greatest protection offered to thieves and liars since the U.S. Patriot Act amended the Antiterrorism and Effective Death Penalty Act to erode American Freedoms and destroy individual liberty in this country.

A Federal Judge in Los Angeles has just ruled (December 11, 2009) that Removing Defendants must identify “an explicit legislative enactment that will inevitably deny her [or his] rights.” California Civil Code Section 2924 is an explicit legislative enactment that will inevitably deny YOUR rights also. That same federal judge ruled that the Removing Defendant must allege that “it can be clearly predicted by reason of the operation of a pervasive and **explicit** state [] law that those rights will inevitably be denied by the very act of bringing the defendant to trial in state court.” It can be CLEARLY PREDICTED by reason of the operative of a pervasive and explicit state law, namely

California Civil Code Section 2924, that your rights will inevitably be denied (by liars speaking and writing nothing but lies) by the very act of bringing the defendant to trial in the California Superior Court system in the aftermath of a non-judicial “Liars Immunity” Non-Judicial Foreclosure.
